CASE NO. 1:20-cv-1505

JUDGE SARA LIOI

MEMORANDUM OPINION

Before the Court is the report and recommendation of the Magistrate Judge in the above-entitled action. (Doc. No. 24.) Under the relevant statute:

[. . .] Within fourteen days after being served with a copy, any party may serve and file written objections to such proposed findings and recommendations as provided by rules of court. A judge of the court shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made.

28 U.S.C. § 636(b)(1)(C). In this case, the fourteen-day period has elapsed and no objections have been filed. The failure to file written objections to a Magistrate Judge's report and recommendation constitutes a waiver of a de novo determination by the district court of an issue covered in the report. *Thomas v. Arn*, 728 F.2d 813 (6th Cir. 1984), *aff'd*, 474 U.S. 140 (1985); *see United States v. Walters*, 638 F.2d 947 (6th Cir. 1981).

The Court has reviewed the Magistrate Judge's report and recommendation and adopts the same. Accordingly, the Court AFFIRMS the Commissioner's decision as to plaintiff's childhood disability, but VACATES the Commissioner's decision as to the period after plaintiff reached adulthood for redetermination upon a fully developed record.

IT IS SO ORDERED.

Dated: September 29, 2021

HONORABLE SARA LIOI
UNITED STATES DISTRICT JUDGE
